DEFENDANTS' STATUS REPORT

Defendants write to provide a status update pursuant to the Court's February 24, 2023, Order. Defendants wish to inform the Court that the above captioned matter has not settled. Further, it is the Defendants' understanding that the Parties are not in agreement that a settlement conference, or other form of dispute resolution, might be of assistance in resolving the case. Plaintiff has represented to Defendants that she is willing to proceed to a settlement conference, but Defendants have made clear their position on case valuation. Given the disparity in the two positions, Defendants believe that a settlement conference would not be a valuable use of the Court's time. Finally, it is also Defendants' understanding that the Parties are not in agreement on consenting to proceed to trial before a randomly assigned United States Magistrate Judge. Defendants would respectfully request a conference with the Court to set pretrial scheduling deadlines.
